

About Dr. Randolph

C.W. Randolph, Jr., M.D., P.A. is widely acknowledged as a medical pioneer in the fields of hormone health and optimal aging medicine. The cornerstone of Dr. Randolph's unique integrative medical approach is rooted in his training as a licensed compounding pharmacist specialized in pharmacognosy (plant-based medicines). His mission is to make better health and a positive aging experience possible for all women and men.

Dr. Randolph is triple board-certified: in Age Management Medicine by The Age Management Medicine Foundation, by the American Board of Integrative Holistic Medicine, and by the American College of Obstetrics and Gynecology. He is also a member of the American Academy of Anti-Aging (A4M). Dr. Randolph earned his M.D. from Louisiana State University and his degree in Pharmacy from Auburn University.

Dr. Randolph is a sought-after speaker for medical and consumer health organizations across the country. He is also the author of several bestselling books on the topics of optimal aging and hormone health, including: *From Hormone Hell to Hormone Well*, and *From Belly Fat to Belly Flat*, winner of the 2008 Bronze National Consumer Health Information Award.

Bioidentical Hormone Replacement Therapy (BHRT) for Women and Men

Dr. Randolph's groundbreaking, clinically-proven age-management medicine treats hormone imbalance in women and men. Because every patient is different, we use blood tests to analyze your hormone levels and then determine your individual hormone profile. Customized dosing of bioidentical hormone replacement therapy (BHRT) can be provided in various forms: oral, transdermal, injections, or tiny pellets inserted into the hip or buttock area. No matter your age, balancing your hormones can help you look and feel like yourself again. Our practice can assist with conditions such as:

Other Services

Gynecology

Our comprehensive holistic approach to women's health includes annual well-woman visits for early detection, diagnosis, management, and treatment of all specific female-health issues. We also provide advanced in-office procedures such as endometrial biopsies, IUD insertions, and colposcopies (vulvar or cervical tissue sampling), as well as on-site ultrasound examinations for in-depth assessments.

Weight Loss

Our clinical experts provide a range of services to help you meet your weight loss goals including: customized prescriptions through Dr. Randolph's Pharmacy, and pharmaceutical-grade supplements available through our Wellness Store. Come learn about the wide selection of nutritional supplements targeting specific weight loss concerns that are available from Dr. Randolph.

Sexual Vitality

Understanding that sexual health is an important aspect of every person's quality of life, we offer a range of sexual vitality treatment options including the "O-Shot®" for women and the "Priapus Shot®" for men. These two treatments use your own platelet-rich plasma stem cells to increase blood flow and create new tissue for the purpose of sexual health. The O-Shot can also help women who suffer from urinary incontinence.

Skin Vitality

To help you look as young as you feel, ask for our complimentary analysis of your individual facial concerns. We can develop a comprehensive treatment plan ranging from skin care, to skin peels, to facial rejuvenation with the use of Xeomin treatments, the only available purified neuro-modulator that provides improvement in lines and wrinkles, and has been available in Europe for many years.
