Behind the Pharmacist's Counter... *The Latest News from Our Pharmacy!*

New compounds, new doses, same friendly pharmacy staff!

Dr. Randolph has teamed with his pharmacy staff to expand our bio-identical hormone replacement options, and has formulated accurate and effective sublingual doses of progesterone, testosterone, and estrogens. These sublingual tablets dissolve under the tongue within 30 seconds to deliver a dose directly into the bloodstream and avoid being metabolized by the liver.

Dr. Will McGalliard,
Compounding Pharmacist

Along with the sublingual tablets, we now offer estradiol vaginal tablets as an alternative to estradiol vaginal creams, sublingual Sildenafil for men (same active ingredient as Viagra) and topical Sildenafil for women.

We will happily fill your compounded medications written by providers outside of Dr. Randolph's Ageless and Wellness Center and shipping is free for any orders over \$49 and over.

Be sure to check out our extensive vitamin and supplement options online at www.drRANDOLPHswellnessstore.com. As always, if you have any questions pertaining to hormones, prescription medication, vitamins, or supplements feel free to speak with our pharmacist at 904-746-3046.
